## Next Great Drummer – Search for the Nations Best Drummer Is It YOU?

Chino Hills, CA - November 10, 2009 – ESeats & URE LLC (Eric Seats and Team) is at it again with its nationwide search and “drum offs” for the nations Best Drummer. Sam Ash Music Stores, a family owned chain since 1924 is the official venue sponsor and competitions will begin at their California locations starting in January.

The Drum-Offs provide a safe, yet fun forum for youth (ages 3-15) and young adults (16+) to display their drum skills and network with drum professionals and peers. Contestants are judged by award-winning drummers and music producers, who offer constructive criticism to encourage and inspire growth.

Some winners will compete in finales at selected theme parks. The benefits to competing and winning are: Networking opportunities for all drummers, listed in Modern Drummer Magazine, will perform at the annual summer Long Beach Jazz Festival, perform at the LA Watts Festival of Drums, possible opportunities to perform at the ESPN Summer X-Games, endorse some of our sponsor products, exposure to entertainment industry executives, become part of the traveling Next Great Drummer All Stars and earn money.
